Thanks to the generosity of Racing Qld's Queensland Off The Track Program, we will be presenting awards at the end of the 2022 competition season to our OTT Hi Point winners.

To learn more about the QOTT program and its benefits, go to www.racingqueensland.com.au/animal.../off-the-track

Due to the popularity of the Alice Hurley Dressage Clinics, we have added two more dates to the calendar, December 10 & 11 and January 14 & 15. These clinics will be run in the afternoons and evenings under lights.

ATTENTION DRESSAGE RIDERS

Changes are coming to the equipment that can be used in dressage competitions, some bits have been removed from the list, there is a great list, including photos, available at:

 [Equestrian Australia Equipment Annex - Version 20 - 10.9.2022.pdf](#) (Effective 1 January 2023)

Section 3	BRIDLES & NOSEBANDS	STATUS
ALL BRIDLES MUST HAVE A THROAT LASH		
Equestrian Australian Dressage Committee Statement The Equestrian Australian Dressage Committee (EADC) wishes to reiterate that welfare of the horse is paramount in all that it does, whether developing rules for the sport or in training of its dressage stewards and judges – an active on-going program. Nosebands that are too tightly fitted regardless of type are never acceptable. Nosebands must never be used in such a way that they interfere with a horse's breathing. Riders failing to loosen a noseband on request from a steward or judge will be eliminated. - Noseband checking is done by a steward. It must be possible to place at least one finger between the horse's cheek and the noseband. <i>See illustration below.</i> - Nosebands can be checked prior to or after the completion of a test - Not all nosebands are required to be checked, if a visual assessment confirms that the noseband is not too tight. - During a test if the Judge believes a noseband is too tight, they must at the end of the test instruct the rider to return to the gear check. The Steward must report back to the judge after checking the noseband. - When checking bridle/noseband the steward must wear two clean disposable gloves - The checking of the bridle/noseband must be done with the greatest caution, as some horses are very touchy and sensitive. Stewards must keep in mind that the safety and welfare of the horse and the Athlete are our highest priority and concern! - The execution of adjustment of equipment must be done by the rider or the groom and not the steward. - If the noseband is deemed too tight by a steward in warm up and is not loosened when requested a Yellow Warning Card will be issued.

Australian Interschool Championships in Sydney to represent Queensland!*

On behalf of our members, we say thanks very much to Equestrian Queensland for the ongoing support of equestrian events in our Region. We received \$500 towards the cost of our two-day show jumping competition held August 20 & 21. The weekend was a great success, we had 57 horses nominated with riders traveling from all directions to attend. The weekend included EQ Leaderboard classes and gave our junior riders the opportunity to gain qualifiers for next year's Interschool Queensland state championships. EQ also supported us with funds to help cover the cost of the Rebel Morrow show jumping school held September 17 & 18. Thanks, Equestrian Queensland!!

Thanks to everyone who supported the first round of our Spring into Summer show jumping series held at Austadium, CQLX on the 3rd and 4th September. The highlight was watching Karlee Mckay and Centenda glide effortlessly over the 1.2m course on Sunday morning, giving all of us something to aspire to.

We covered a range of competition, from Karlee riding 1.2m to 40cm cross rails and everything in between. Thanks to everyone who helped make the weekend possible, especially Lyndal Roos, our judge and course designer who worked non-stop and provided great courses and learning opportunities for our riders. We hope to see you at Round Two October 15 & 16 and Round Three November 5 & 6 as the Spring into Summer Series continues.

We are grateful to **Queensland Off The Track** for sponsoring the Spring into Summer Series and to **Hygain** feeds for donating a bag of feed to every winner over the three rounds of competition.

Here's a little sample of photos from Jody at **ASHJO Photography**, check out her FB page for loads of photos, they're gorgeous.

Our first dressage event at Paradise Lagoons was very enjoyable with everyone agreeing it is paradise out there! Thanks to everyone who supported the weekend, we had a great couple of days. Lots of first timers and PBs for the more experienced horses and riders. It was great to see so many people pitching in and doing their bit to make a fun time for us all, thank you! Check out Petra Vee's **The Barefoot Photographer** Facebook page and Sophie Abbott's **Diamond Focus** Facebook page for some lovely photos from the weekend.

August 20 & 21 saw us at Austadium for the **Queensland Off the Track** sponsored showjumping weekend. Austadium is a great venue, it was lovely seeing all the people sitting in the stands watching the action. Thanks to Terri Langdon, for course

designing and judging, Peter for pencilling, Phil for being our First Aid Officer and Haydie & Alex for coming to the rescue when we needed transport Saturday morning. Thanks to everyone who helped on the gate, picked up rails and raked the sand. A huge thanks to Keith and everyone who helped pack the jumps onto the trailer Sunday afternoon, it was really appreciated.

Photos thanks to Jasmine Kerr of Equine Collective, check out her Facebook page.
