QUEENSLAND OFF THE TRACK™

We'd like to thank Racing Queensland and the Queensland Off The Track program for supporting the Rockhampton Equestrian Group in 2023. The funding provided has allowed us to continue on our mission to promote Off the Track (OTT) horses at our competitions in Show Horse, Dressage and Show Jumping. We are passionate about seeing retired racehorses living their best lives and encourage our members to consider an OTT when looking for their next horse.

The ongoing support from QOTT is helping to grow equestrian sport in Central Qld, providing a pathway for OTTs in their new lives away from the racetrack. The Rockhampton Equestrian Group has just under 190 members in 2023 and it's been exciting to see many of our members taking on OTTs this year, many for the first time.

The REGI 2023 OTT Leaderboard, sponsored by QOTT, highlights the number of OTTs competition at our events with 56 OTT horses nominated at our dressage and showjumping events this year. It's a great way to show case the versatility of these wonderful creatures. From our riders and their OTT horses, thanks QOTT!
