Competition

Grade Competition

What is the grade competition? It is where a team (of three people) play against other teams

weekly in a round robin format. The competition is split into three grades. The following will have information about these grades, as well as mention some changes that differ from previous years:

A Grade

The club's top tier. This grade is for the higher-skilled/experienced players. This grade will have one long-running season from April to October, with breaks for the school holidays and Easter. The competition is held on Wednesday nights with matches starting at 7:30 pm sharp.

B Grade

The club's intermediate tier. This grade are for those who are in the middle, competent players that are too good for C Grade. The seasonal competition will run from April to October and are held on Thursday nights from 7:30 pm.

C Grade

Competition for new and/or casual players. This grade serves as an introduction of competitive table tennis at the novice/beginner level. The season is split into two shorter seasons, the first commencing in late March/early April. Competition nights are on Tuesdays from 7 pm.

Pre-season Competition

This year, the club is introducing a pre-season competition that is separate from the regular grade competition.

It will be an individual competition that will run each Tuesday, Wednesday and Thursday evening from Tuesday 5 February to Thursday 28 March; a total of 24 scheduled sessions. On each of those days there will be a minimum of three rounds, with the rounds commencing at 7:30, 8:30, and 9:30 pm each evening.

Participation is COMPLETELY FLEXIBLE. (Play 1 day a week – or all 3. Play once every 2 or 3 weeks or try it out as a once off).

The event suits players of all standards. Each round you will be paired with an opponent who has won the same (or similar) number of matches you have.

Post-season Competition

A proposed post-season competition will be held after the grade competition grand final. Head to the website, darwintabletennis.com.au for the latest updates when they become available on this competition.
