– ROUND ONE WRAP UP –

Well done to ALL our players and officials for excellent work in last Saturday's games - we hope that everyone had a great first week! Good luck to our t-ballers (especially those who are playing for the first time) who start this weekend!

– UNDER 12 MOD's PARENTS –

We not certain of what's happening with this competition as there are only two teams in this grade (us and Lakers). Please be prepared to attend the game at your usual time. There is a meeting to be held at Redcliffe on Wednesday night to discuss and we should be able to provide more information afterwards.

Raffles are back on track from this Friday from 5:15 to 6:30pm at the Brighton Hotel. It is SUPER EASY and no experience is necessary!

Message from RSLA President – re last weekend

Hello All,

Thank you to everyone who followed our COVID rules over the weekend. Feedback I received was that we did pretty well but there is room for improvement.

I know that things are a little different at the park now with social distancing affecting seating under the shade between D1 and D2. Please understand that this is a compliance issue and nothing personal. We all have to do our bit to make sure that the season keeps going for all Associations.

We encourage you to bring your own seating and shade and sit around the diamonds in areas that are not fenced off. There is NO seating under the shade between D1 and D2, nor should anyone be seated outside the office. Volunteers will ask you to move if you are sitting there. The “officials/players” areas near the dugouts are only for those involved in the game that is being played during that time slot. You must wait for the teams to exit BEFORE you can enter this area for the next round.

I'm really looking forward to watching games this weekend and will see you at the park.
