## September 2025

#### President's message

Welcome to spring and the growing season for the course and it's great to get out on the course with the warmer weather.

You may have noticed work being done on the course including planting of 120 new trees; renovation of our fairways; and ongoing upgrading of our tee system, with the greens to be cored on 23rd of September.

We continue to seek more funding to add to the \$130,000 we received in 2024 to complete our key projects including:

- golf course planning and design with water management, irrigation and course strategic planning.
- new equipment for irrigation and watering including new pipes, new sprinklers, new pumps and automated management of the system; and
- restoration of our fairways through de-thatching, scarifying and reseeding.

The General Committee is always looking to raise funds for these projects and a range of other smaller projects for the course between 2025 to 2027 as a lead up to our 70th anniversary of the Orford Golf Club being formed in November 2027 through:

- Tax deductible contributions made to the Australian Sports Foundation. This has raised over \$1100 so far;
- We re-signed Raine & Horne Real Sorell, Tasman, East Coast for another 3 years as our major sponsor and continue to seek new sponsors as we move towards 2026.

We have had some great events at the club over the last couple of months with Tradies' Day, Left Hand Golfers Day, Southern Country Golf Association Women's Stroke Event and the popular Shane Paynter Days which all see up to 50-60 on the course.

We are always complimented on what a great job the Orford Golf Club does for these events, be it on course or with catering. So, thank you to all the staff and volunteers involved in these and other events.

We begin to move into the busy period for the club with the Foursomes Championships, Individual Championships and Veterans Championships, so good luck to all those who take part. See you on the course.

#### **Golf Tasmania competitions**

Congratulations to our team of Pauline Nichols, Jenny Walker, Fiona Smith and Penny Jackson who won the Barclay Shield at the Mowbray Golf Club! Fantastic effort.

And that's not all. The results of the International Bowl competition were announced on the day, with Fiona Smith winning the Silver Division and Ros Weeding (again) winning Bronze Division 2.

See page 6 for more results from other events.

#### **Golf Australia CONNECT**

Changes are coming to the Golf Australia Handicap system, with Golf Australia CONNECT to replace GolfLink. For golfers, there will be a number of changes, but importantly, the way you manage your membership details, book in to competitions and check on results will not change. You will continue to use OneGolf. If you currently use the MiScore App for online scoring, that won't change either.

What will change is that:

- There will be a new Golf Australia Official App from 2
   October. If you use the existing GA App to check your
   handicap history, you will need to download the new
   App via the Apple or Google stores. We will let you
   know when it is available.
- There will be a new web portal to access you GA Handicap, via the Golf Australia and PGA new website, www.GOLF.com.au. Here you will be able to track your handicap and access your stats via a new dashboard. From October 2, golf.org.au will automatically direct to the new website.
- GolfLink numbers will now be called GOLF ID Numbers, and the GA number you have now will become your permanent/Lifetime Golf ID number, which will not change if you move clubs.
- Your existing Membership Card will be replaced with a digital membership number (your Golf ID).

GolfLink will go offline on 28 September and Golf Australia CONNECT will not go live until 10 October. During the transition period, no competitions can be processed by Golf Australia, so we will not be uploading any scores.

To make sure you can access your handicap details in GA CONNECT, Golf Australia recommends you do the following before 28 September:

- Check that the email address linked to your GOLF Link account is current. This will be your Golf ID login.  $\cdot$
- Verify your Golf ID by logging into your account at golf.org.au.

 If you don't already have an account, create one at golf.org.au/registration.

If you need to update your email address, please register a new account at golf.org.au/registration. If you need any help, please see Deb, Rossco, Simon or Kim who are CONNECT transition champions.

#### Changes to Rules of Handicapping

From 2 October 2025, when Golf Australia's new digital platform goes live, your GA Handicap will be calculated using updated Australian Rules of Handicapping in line with the World Handicap System. These updates will make handicaps fairer, more consistent, and more reflective of actual playing conditions.

The four key changes are:

- 1. A new "Consistency Factor" for Daily Handicap calculations, supporting fairer competition and equity for female players.
- 2. A revised formula for 9-hole rounds, making shorter formats more accurate.
- 3. Adjusted expected scores for holes not played, using statistical modelling.
- 4. A refined 'Daily Difficulty' calculation (PCC), back-calculated to 1 January 2023.

Most golfers will see a small change to their GA Handicap on 2 October, projected to be less than 0.5 strokes on average, although some players may see a bigger adjustment based on their unique scoring history. The system applies the changes automatically, so golfers don't need to do anything.

#### **Privacy Policy**

As part of the transition to Golf Austral CONNECT from 2 October, and to ensure we meet our legal obligations, the Club has developed a privacy policy.

Golfer information has been provided to GolfLink in the past as part of the registration of your membership. Under the new platform, golfer information will be disclosed to DotGolf NZ LP (New Zealand), Golf Australia's platform provider for the GA CONNECT system and database, to manage, administer and calculate the golfer's GA Official Handicap. Importantly, secure storage of golfer data will remain in Australia.

Our privacy policy can be found on the club's website at: <a href="https://www.orfordgolfclub.com.au/76/privacy-policy">https://www.orfordgolfclub.com.au/76/privacy-policy</a>. If you have any questions, please contact us at <a href="mailto:admin@orfordgolfclub.com.au">admin@orfordgolfclub.com.au</a> or contact Kim Hudson on 0419 521 827.

It was a windy one at Freycinet which was reflected in some of the scores, but we managed to edge in front of Swansea with one round to go. There are still only 6 points in it.

Progressive scores are:

	Round 1	Round 2	Round 3	TOTAL
Orford	170	183	162	515
Swansea	180	176	153	509
Freycinet	138	144	157	439
Bicheno	128	138	125	391

The final round is at Bicheno on 22 November.

#### **Upcoming Club Championships**

Our Club Championships are just around the corner. Keep an eye out on Facebook and in the Clubhouse for Conditions of Competition and entry.

Note that the Veterans' Championships will be over 2 days only (Thursdays for Women's and Saturdays for Men's).

We will again combine the final rounds of the Men's and Women's Championships on the final Sunday (9 November) but will be changing the order of play this year to Women's B Grade, Women's A Grade, then Men's C Grade, Men's B Grade and finishing with Men's A Grade.

#### Extension of sponsorship

We are excited to announce that Raine & Horne Sorell, Tasman & East Coast will be continuing their sponsorship of the Orford Golf Club for the next 3 years, taking up the option to extend their original 3 year contract. We very much value this partnership with Warren and his team, and encourage you to consider them if you are thinking of selling or renting your property. We look forward to welcoming them to our presentations for the 2025 Raine & Horne Club Championships in October and November.

#### Around the course

Spring is a busy time of year on a golf course and Orford is no different. Not only does the grass grow a lot but it is time for fertilizing, coring, scarifying and doing tee renovations. Thank you to Crossy and our hard-working volunteers for their work during this period. The course should be in great condition leading up to the Championships commencing in mid-October.

The rested new 2<sup>nd</sup> tee and the 2<sup>nd</sup>/11<sup>th</sup> green have come along nicely and should be back in play in early October – keep an eye out for updates.

#### **Irrigation Update**

Work has been happening behind the scenes on our planned irrigation upgrade. The existing system has been mapped and we are currently awaiting a staged plan for the new system and quotations for parts and labour. Under our grant Agreement with the State Government, the first stage is due to be completed by June 2026.

#### **Tree management**

The first stage of our tree management plan has been completed, with Horizon Tree Service doing a great job in felling the big trees overhanging the new 2<sup>nd</sup> tee.

A big thank you to Crossy, Matt, Mark, Tim and the team of volunteers for cleaning up and carting away the wood and branches and undertaking the groundwork and reseeding.

We have now received our most recent Tree Risk Assessment Report which has identified a number of other trees around the course that will need attention. These will be dealt with over the next few months. We are grateful to the State Government for the grant we have received that allows us to focus on this important risk management issue.

#### **Boundary risk management**

What comes down must go up?

As recommended by our boundary risk assessment undertaken earlier in the year, we have now completed a major planting exercise to add protection along the 1<sup>st</sup> and 6<sup>th</sup> fairways. This was made possible by the generous donations we received under the Australian Sports Foundation (see below) and the efforts of the team of volunteers at our tree planting working bee.

The men's tee on the 6<sup>th</sup>/15<sup>th</sup> was moved last year and will come into play when needed, and work is scheduled to narrow the 1<sup>st</sup>/10<sup>th</sup> tee encouraging players to tee off closer to the road and (hopefully) aim to the left of the fairway.

#### **Golf Clinics**

PGA professional coach Adam Holden will be running some clinics at the Club on Friday 10 October. The junior **Come and Try** clinic will be between 10 and 11am. It only costs \$10 and is aimed at kids from 6-14. Clubs are provided. An adult group clinic is being offered at 12 noon, as well as individual lessons. Just in time for the Club Championships!

#### dr IT sponsorship

We are pleased to have recently entered into an in-kind sponsorship agreement with Marvin from dr IT Solutions to provide IT support to the Club. Marvin will be sponsoring a tee in return for giving us some hours of advice and support in dealing with some IT issues.

We encourage you to support Marvin and all of our sponsors. Go to his website at <a href="https://www.drit.solutions">www.drit.solutions</a> or give him a call on 0432 077 076.

#### Social events

Our Friday night drinks and nibbles continue to be well attended. Recently, we has another members' jackpot winner, with Simon walking away with the \$990 prize.

We continue to have regular 9 and Dine events. Our Christmas in July and Mixed Curry nights were very popular and we had great feedback. Thanks to the Harwoods, Cracknells, Jo Pedler and the House Committee for your efforts — our volunteers are what make these nights such a success both socially and financially.

#### Recycling

Andrew Lane and Jo Pedler have enthusiastically taken on our recycling at the Club and so far

we have raised about \$300 from their efforts. Please help when you are out and about on the course by placing your recyclable drink containers in the bins provided. At this stage, wine bottles (big and small) are NOT part of the refund scheme.

### Shane Paynter Social Golf Days

There will no social golf day in October. The final two social Sundays in 2025 will be on 30 November and 21 December.

#### Farewell Fran!

In July, past and present members and friends of the Club came together to farewell long time member, Fran Riseley, who is moving to Queensland. There were many stories and

laughs shared over a great afternoon tea spread. We wish you all the best Fran - thank you for everything you have done for the club over the years. We will miss you!

#### **Australian Sports Foundation**

We were very excited to receive a donation of \$1000

from the Australian Philanthropic Services Foundation recently. We are extremely grateful for their generosity. Donating is easy – just go to <a href="https://asf.org.au/campaigns/orford-golf-club-inc">https://asf.org.au/campaigns/orford-golf-club-inc</a>.

#### Matt's Dry July Fundraiser

The Tuesday boys (and girls) played 9 holes of cross-country golf in support of Matt Pedler going Dry in July, raising \$510 on the day. Matt would like to thank all the golfers who participated, as well as the individual donors.

#### New members

We have had a number of new members join the club recently. Welcome to David Goodfellow, Paul Cousins and Susan Barnes (full members), Stuart Hammond (secondary), Simon Bantoft (introductory), Alfred and Julian Cousins (junior) and Rod and Catherine Jones (social).

#### Inter Club competitions

#### **Grants Success**

Thanks to a grant from the State Government under its Active Clubs Grants Program, we can now offer brand new clubs for hire for just \$10. Perfect for those new to golf or visitors who have left their clubs behind. We are very grateful to the Government for its support.

In addition, we have been successful in our application for a grant from the Commonwealth Government under its Stronger Communities Programme to revamp our website and social media presence. The new website will be much more modern, easier to navigate and manage, and will better promote our Club, course, community, region and sponsors

#### Vale Ian Hosking

The Orford Golf Club flag was at half-mast again in July in memory of past member and President Ian Hosking, who passed away yesterday. Ian and Ann volunteered at the club over many years, with Ann now a social member, who we hope to continue to see dropping in to the Club when she is in Orford.

prize and lots of great handouts. The weather was perfect and the hill was pumping! Thanks to the generosity of the sponsors, all the funds raised went back to the Club for course and clubhouse improvements.

Thank you to Mark, Steve and Maria for your efforts in organising the event and to those who helped out on the day. We will be back next year!

#### **Footy Tipping**

Congratulations to Penny
Jackson for winning this year's
Club footy tipping competition
and the perpetual Grant
Gaffney crafted trophy. Penny
finished on 158 points, a big 6
points clear of Jordie Woods
and Andrew Davison in 2<sup>nd</sup>. In
fact, she was only 7 points
behind the winner of the overall
AFL Tipping Competition. Turns
out she can tip and play golf!
