

Who we are

The Milton Ulladulla District Camera Club is a friendly community group of keen amateur photographers. We meet to continue our education in aspects of photography, inspire each other and develop our skills. Photographers of all skill levels are very welcome to join us. Membership details can be found on our website.

We usually meet on the 2nd and 4th Mondays of each month, with the first meeting comprising a learning activity and the second meeting comprising a competition night. **However, due to COVID19 restrictions, face to face meetings are currently suspended.**

For now, we are continuing our competitions on a digital basis. Submissions are made by sending images to the club email address two weeks before competition night. Financial members may submit one Open entry and two Theme entries each month. Feedback is provided and awards are announced via a PDF presentation that is emailed to all members on competition night.

The Club operates on a July to June competition year. The competition details for the first half of the 2020/21 year are provided in this brochure. Entry criteria and image sizing details can be found on our website. Please note that all Theme entries must have been photographed in the last 12 months and all submissions must be entirely the member's own work.
